Dear Sir:

In response to the Office Action mailed on August 2, 2005 (Paper No./Mail Date 200500613), in connection with the above-identified patent application, please enter the following amendments, and consider the following arguments. This response is timely filed within the three month shortened statutory period set for the response.

Also filed herewith is an Information Disclosure Statement providing additional identifying information regarding the BLAST results. Applicants respectfully request that the information listed in the Information Disclosure Statement be considered by the Examiner and be made of record in the above-identified application.

The present Amendment and Response is further accompanied by the submission of a non-executed Declaration under 37 C.F.R. §1.131, the consideration of which is respectfully requested. The executed Declaration signed by all of the inventors will be submitted to the PTO shortly.

In addition, enclosed herewith is an Amendment under 37 C.F.R. §1.48(b) to correct the inventorship in the present application, the consideration of which is respectfully requested.
